

INTERNSHIP OPPORTUNITY

A wedding and event planning internship position is available at 36th Street Events, Austin. You will find the requirements and guidelines listed below. For more information, call Resha Zazueta, Certified Wedding Specialist at 512-826-1482.

GUIDELINES

In order to provide a quality internship and learning experience, 36th Street has established a set of working guidelines for all of our interns. These guidelines enable our interns to see all facets of the wedding & event planning process.

- ❖ Intern will complete 4 office hours per week. These can be done through actual office hours working beside Lindy or Resha, attending vendor and client appointments, or completed at home working on special projects that 36th Street needs accomplished.
- ❖ Intern will attend at least 2 weddings and/or events per month during high wedding season (March-May, October) and will work at least one wedding per month during the remaining months subject to booking.
- ❖ Intern will always portray her best image when on appointments and events. Please refrain from smoking and drinking at events. Proper dress code must be maintained at all times.

Again, 36th Street views these guidelines as a means to ensure that you receive the best internship and most complete learning experience possible.
